

Course Evaluation

This form is distributed toward the end of the semester to provide an opportunity to express your views on this course and to rate the instruction. The purposes of obtaining the information are to assist in the improvement of instruction and to provide one source of data for administrative evaluation or recognition of faculty performance. It will serve these purposes best if items are answered carefully and honestly as you reflect back on the course. If an item seems inappropriate for this course, please leave it blank.

Your instructor should read directions to you and leave the room while you complete the form. Do not sign any of your rating sheets. When you are finished, return the form to the envelope that has been provided and assigned to a classmate for collection. Ratings will not be available to the instructor until after final grades have been submitted. Thank you.
