

Sample Form for Remark Office OMR®

This is a sample form to illustrate the features of the Remark Office OMR software by Gravic, Inc. The form could represent either a simple survey, such as a course evaluation form, or could be used for a multiple choice test application. The form has 3 regions that can be processed, the Teacher Name (a barcode), the Student ID Number (a 3-digit numeric Grid field), and the Multiple Choice items (a 25 item Multiple Choice field). Note that this form is for illustration only and you are not limited to these types of regions or the format of this form.
